

ANTITRUST COMPLIANCE AND LITIGATION SERVICES

SUPPORTING THE FULL RANGE OF OUR CLIENTS' COMPLEX BUSINESS NEEDS

Antitrust Services

Business transactions, mergers and acquisitions

Compliance counseling

Litigation

Faegre Baker Daniels' antitrust and trade regulation team helps businesses overcome hurdles, take their products and services to market, and expand through acquisitions, mergers and other business transactions. We understand the competition matters you encounter, and we work to minimize risk at every stage of the analysis, dispute or transaction.

WHEN DO BUSINESSES NEED ANTITRUST SERVICES?

COMPLIANCE WITH ANTITRUST AND COMPETITION LAWS

- Joint ventures and competitor collaborations
- Mergers and acquisitions/pre-merger notification/merger control compliance in the U.S. and foreign jurisdictions
- Competitor information exchanges (e.g., during due diligence and business collaborations)
- Protection of trade secrets and intellectual property
- Advertising and marketing representations
- Group purchasing
- Exclusive dealing, tying, bundling and loyalty discounts
- Joint bidding
- Price discrimination
- Pricing and distribution channel management
- Resale price maintenance and minimum advertised pricing (MAP) policies
- Dealer, distribution and authorized reseller agreements and policies
- Franchise licenses and agreements
- Non-compete and non-solicitation agreements
- Trade associations, standard setting, benchmarking and competitor relationships
- Compliance with state-specific competition laws
- Compliance policy development and implementation; antitrust compliance training
- Mock dawn-raid training

DEEP LITIGATION EXPERIENCE

- Multidistrict litigation proceedings
- Class actions
- Monopolization and attempted monopolization claims
- Price fixing, bid rigging, market allocation and supply control claims
- Merger challenges and second requests
- Grand jury investigations
- Civil investigative demands from enforcement agencies
- International and domestic cartel matters (civil and criminal)
- Hague Convention proceedings
- Enforcement agency merger challenges
- Trade secret and intellectual property infringement claims
- Third-party subpoenas
- Complex business contract disputes involving antitrust claims
- State-based competition law claims
- Robinson-Patman Act price discrimination claims
- Foreign Corrupt Practices Act (FCPA) claims
- Competition and related privacy/blocking laws in foreign jurisdictions

GOVERNMENT AND INTERNAL INVESTIGATIONS

- Subpoenas and civil investigation demands related to price fixing, bid rigging and merger clearance
- International investigations
- Complaints to or from state attorneys general and federal enforcement agencies
- Antitrust audits and investigations
- Witness interviews
- Leniency program counseling
