WHAT WE DO

Advise on public company executive compensation including structuring and drafting arrangements and plans

Advise on securities law issues, including registration and filing issues, related to equity compensation

Advise on disclosure of executive compensation arrangements in proxy statements and other SEC filings

Monitor and advise on trends and opportunities in executive compensation including shareholder approval and third-party influence (e.g., ISS)

Advise on governance issues impacting executive compensation

Advise on taxation of executive compensation including 409A, 162(m), 280G; the taxation of equity and other arrangements; and compensation in M&A deals
