# INDUSTRY FOCUS

## COMMITMENT

We have the scientific, economic and regulatory knowledge to address the full range of clients' domestic and international business needs.

## INVOLVEMENT

We work with core associations on industry issues alongside our clients. We also represent many associations as outside counsel, speak at their annual conferences and write for their publications.

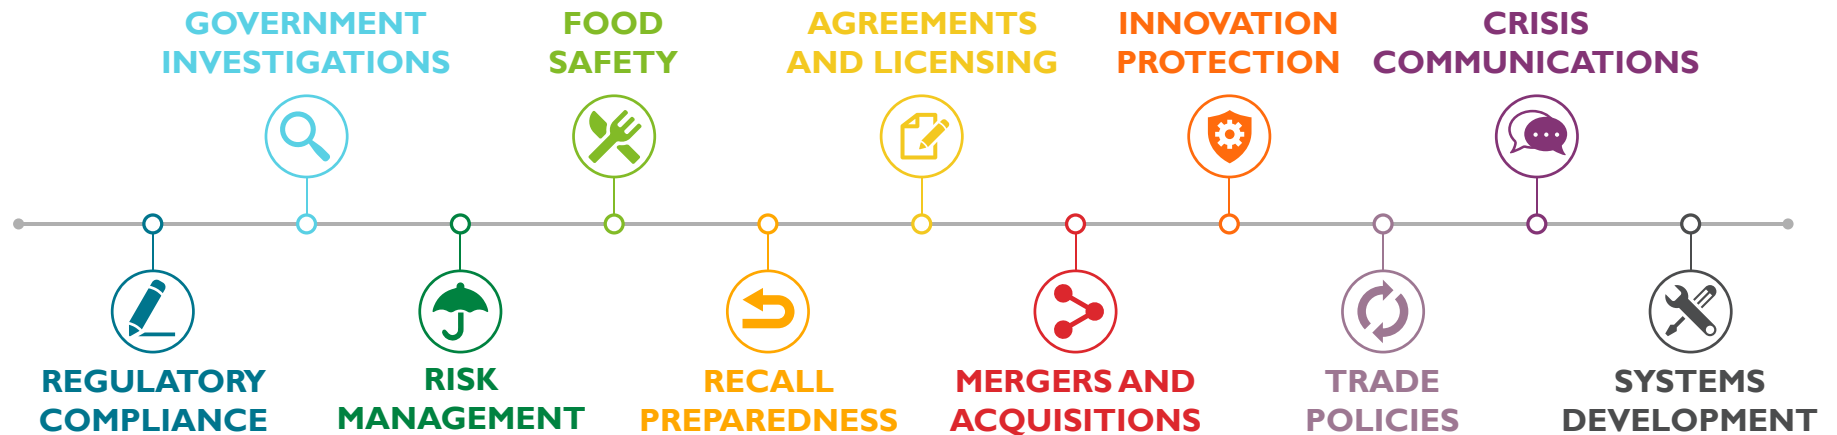

# 13 LOCATIONS

→ AND GROWING...

Faegre Baker Daniels represents many of the world's leading food and agribusiness companies with more than 150 attorneys dedicated to serving them.
