# INDUSTRY EXPERIENCE

**We bring tough projects through the permitting process and into operation.**

Our practice is both domestic and international, advising on projects in:

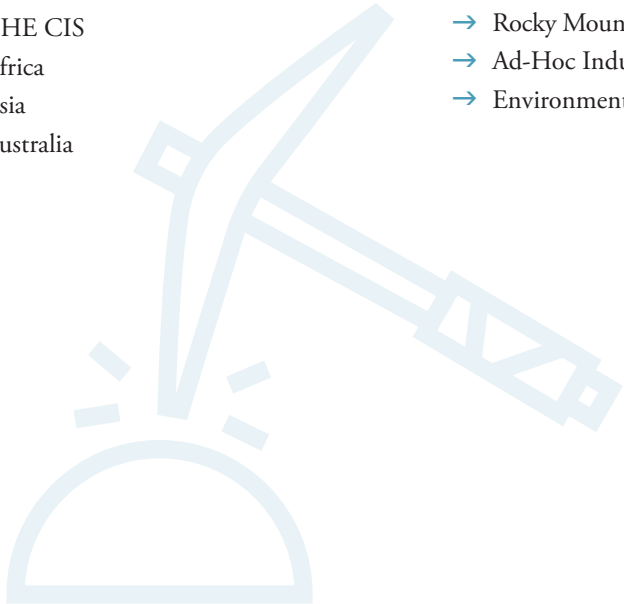

- The United States
- Canada
- South America
- THE CIS
- Africa
- Asia
- Australia

Our public policy experience includes working with:

- Congress
- Environmental Protection Agency (EPA)
- Department of the Interior
- Department of Energy
- Mine Safety and Health Administration (MSHA) under the Department of Labor

Our industry involvement includes:

- Rocky Mountain Mineral Law Foundation
- Ad-Hoc Industry NRD Group
- Environmental Law Institute

## WHY FAEGREBD?

We provide a collaborative, integrated approach to service based on the needs and budgetary concerns of our clients, which include:

- Mining companies
- Project and financial sponsors
- Governments
- Industry service providers

## OUR COMMITMENT

We partner with our mining clients to understand their business and build the appropriate legal team to help them accomplish their goals in the most efficient manner.
