WORKPLACE SAFETY AND OSHA SERVICES

Faegre Baker Daniels helps employers protect their employees and their businesses. We counsel on compliance with occupational safety and health requirements and defend related litigation in numerous jurisdictions.

WE HELP EMPLOYERS BY:

- Representing them before the Occupational Safety and Health Review Commission and state boards, commissions and ALJs in defending safety orders or citations
- Advising on compliance with obligations under workplace safety laws, standards and regulations, including advice regarding specific industry and construction OSHA standards
- Managing and participating in workplace safety and environmental audits
- Educating supervisory and management staff on practical, effective and low cost safety improvement and management techniques/practices
- Providing detailed advice on compliance and risk reduction strategies
- Teaching and training management staff on practical management of safety issues including jobsite safety improvement and regulatory compliance
- Preparing safety and environmental compliance handbooks, policies and programs
- Counseling during OSHA and state agency investigations
- Representing employers in connection with employee discrimination, safety retaliation and whistleblower claims
- Representing trade associations and employers in rulemaking proceedings
- Counseling and defending litigation relating to toxic or hazardous substances
- Advising on product liability and comparative fault issues involving alleged violations of OSHA standards
