

A SNAPSHOT OF...

# WINNING TRADE SECRET CASES

**3 CRITICAL PROCEDURAL ISSUES**

- Move quickly to protect the secret
- To receive relief, you must give access to your trade secrets
- You may not be permitted to see the secrets accused of being stolen

**2 KILLER ATTACKS ON REASONABLE EFFORTS**

- If you try to protect all your company info, you may not be able to prove what is a trade secret
- If you didn't comply with your own trade secret protection policies, you may not have a defense

**1 POWERFUL DEFENSE**

- Manufacture a defense through independent development or reverse engineering
