

Boulder Food Seminar

Thursday, October 10, 2013 | Boulder, CO

Participants will be eligible for up to 3.5 CPE credits (Business Law Credit).

We are required to provide the following information to candidates for CPE credit, in addition to the information in our promotional materials:

Intended Learning Objectives:

- Explore the future of the natural industry and learn about the latest trends and industry leaders
- Become informed about new requirements under the Food Safety Modernization Act (FSMA)
- Learn strategies to guard against the rising tide of litigation challenging food labeling, marketing and advertising
- Provide experienced perspective on interpreting labeling regulations and establishing a framework
- Learn about best practices in branding and legal requirements on packaging
- Receive suggestions on how to protect and enforce your valuable brands under the law
- Learn about current legal and business trends in the venture capital, private equity and M&A markets for the food industry
- Learn about best practices for due diligence and legal documentation for the financing and acquisition transactions for food industry clients
- Become more informed about legal and business issues that affect financing and acquisition transactions in the food industry

Program Level: Basic

Prerequisites: None

Advanced Preparation: None

Delivery Method: Group – Live
