

## Praise for *The Secrets To Winning Trade Secret Cases*

“The experienced authors have delivered a refreshingly practical, witty and engaging read on trade secrets. An exceedingly useful reference for litigators and their business clients alike.”

Tyler L. Nasiedlak, Vice President & Chief Patent Counsel  
Cardiovascular & International, Boston Scientific Corporation

## Praise for *The Secrets To Winning Trade Secret Cases*

"It is a rare law tome that is both accessible and deep. This one is both, and it is the first resource I turn to when I have a trade secret problem."

Eric C. Liebeler, ACS Chief Litigation Counsel  
Honeywell International Inc.

## Praise for *The Secrets To Winning Trade Secret Cases*

“Trade secret claims cost corporations millions of dollars, tarnish corporate reputations, and destroy corporate business models. This book gives corporate counsel the guidance and tools needed to protect the corporation and the bottom line in a clear and practical way.”

Christopher M. Turoski, Senior IP Counsel  
Cargill, Incorporated

## Praise for *The Secrets To Winning Trade Secret Cases*

“The true secret to *The Secrets To Winning Trade Secret Cases* is that it is possible to write a highly entertaining and informative book while providing lawyers with considerable practical tips.  
Highly recommended.”

The Honorable Jonathan G. Lebedoff  
Former United States Magistrate Judge

## Praise for *The Secrets To Winning Trade Secret Cases*

“This book offers practical advice on how to litigate trade secret cases. It is a great resource for plaintiffs, defendants, outside counsel, in-house counsel—anyone involved in a trade secret dispute who wants to know what it takes to win.”

Steven Haines, Legal Director  
Seagate Technology, Inc.

## Praise for *The Secrets To Winning Trade Secret Cases*

“This book is perfect for in-house counsel and their business people who want practical advice on trade secret litigation in a concise, easy-to-read format that is packed with information.”

Michael K. Ouyang, Chief Intellectual Property Counsel  
ADC Telecommunications, Inc.

## Praise for *The Secrets To Winning Trade Secret Cases*

“This book is a must have for anyone wading into the deep end of trade secret litigation. Providing practical insights, including tips and tricks, it’s a natural choice for both lawyers and their clients.”

F. Scott Kieff

Professor at George Washington University Law School and  
Ray and Louis Knowles Senior Fellow at Stanford University’s Hoover Institution

# Praise for *The Secrets To Winning Trade Secret Cases*

"This is a pleasing and handy book. And not only for lawyers dealing with a trade secret matter. It would have real utility for a litigator facing unfair competition litigation in its various guises. Highly readable, and filled with useful tips and approaches from a plainly seasoned source, the book is written in direct language and, although mercifully short, crammed with solid advice and instructive examples of cross-examination technique. A bonus: the book evidences an engaging sense of humor, a quality too infrequent in legal literature, well handled, moreover, so that the humor is not distracting. Given the fact that trade secret litigation is a creature of state law, and hence varies somewhat from jurisdiction to jurisdiction, and fact intensive, so that each case is to some (and often great) extent *sui generis*, the ambition of the book is not to provide an exhaustive treatment of substantive or procedural trade secret law. While its purpose is not to be the final word on substantive aspects, and accordingly the practitioner, grappling with a real matter in a particular jurisdiction, will have to supplement the insights of this book with substantive scrutiny elsewhere, it provides the kind of insight from which the practitioner can greatly benefit and readily supplement with appropriate state-specific substance."

Roger Milgrim, author  
*Milgrim on Trade Secrets*
