

Overview of ACA Section 1332 State Innovation Waivers

Status	State	Waiver Program	Effective Date
Approved	Hawaii	Revive state's pre-ACA employer mandate law	2017
	Alaska	Establish state-run Reinsurance funded through combination of state funds and passed-through federal funding	2018 (state-funded reinsurance program already operating in 2017)
	Minnesota	State-run Reinsurance	2018 (approved, but resultant large Basic Health Program funding cuts may trigger renegotiations for that program)
	Oregon	State-run Reinsurance	2018
Determined Complete	California (withdrew application)	Permit undocumented individuals to purchase unsubsidized qualified health plan coverage	
	Iowa (withdrew application)	State-run Reinsurance; alternative subsidy schedule (based on age and income) and standardized plans available directly through insurer(s); continuous coverage required for SEP enrollments	2018 (requested)
	Maine	State-run Reinsurance	2019 (requested)
	Oklahoma (withdrew application)	Permit undocumented individuals to purchase unsubsidized qualified health plan coverage	2018 (requested)
	Wisconsin	State-run Reinsurance	2019 (requested)
Submitted	Massachusetts (incomplete)	Administer premium stabilization fund in lieu of cost-sharing reductions	2018 (requested)
	Ohio (incomplete)	Repeal individual mandate (request to waive employer mandate expected to follow)	2019 (requested)
	Vermont (incomplete)	Direct enrollment only for small business health options program (SHOP)	
Public Draft of Application	Maryland	State-run Reinsurance	2019 (requested)
	New Jersey	State-run Reinsurance (financing expected to come largely from state-based individual mandate fees)	2019 (requested)
	New Hampshire (stalled due to inadequate pass-through funding)	State-run Reinsurance	2018 (requested)
Authorizing Legislation Enacted	Colorado	Allow catastrophic plans to be sold to all residents, regardless of age or eligibility for a hardship	
	Idaho	State-run Reinsurance	
	Indiana		
	Kentucky		
	Rhode Island		
	Texas
